## FRUIT & VEGGIE MATCH-UP

### DIRECTIONS:

1. Print this sheet out twice. Color the fruits and vegetables with your favorite Crayola® crayons, markers or pencils, and cut out the cards along the dotted lines.
2. Arrange the cards face down between the players.

### TO PLAY:

Take turns with friends or family members choosing two cards to flip over. If the pictures do not match, return them face down to where they were. If they do match keep them. When all the cards have been matched up, count the number of pairs each player has. The person with the most pairs wins!
