

Communication is an essential 21st century skill.

Use visual experiences to improve students' communication.

Join us for a professional development session

Together we will:

- Explore how the arts help students convey and express meanings
- Help students customize their creative expression
- Foster exploration as students compose and construct creative communication
- Help students check the effectiveness of their artwork to communicate

Don't come as you are.
Come as you were,
with stories to tell.
Be ready to unleash
your imagination...
and see the world
with a child's eyes.
