## Crayola Color Wonder Scented Light-Up Stamper

The Crayola Color Wonder Scented Light-Up Stamper lets kids explore the fun of stamping without making a mess. Like magic, the stamper handle lights up to indicate which color is being used. The inks are clear and make marks only on compatible Color Wonder paper, so clothes and hands stay mess-free. The set includes Zoo themed stamps that let kids create their own tigers, elephants and more. The stamper can be used with other Color Wonder products for more creative possibilities.
