

# NEW! Multi-Color Light Board

## Light up your creations in 10 different colors on the fun and portable Multi-Color Light Board!

### Product Description

- **Multi-Color Light Board:** Put your art in lights! The all-new Multi-Color Light Board lets kids create art on a compact and portable light surface that glows in 10 different colors – white, blue, cyan, teal, violet and more. Plus, kids can test out three different light modes. Use the four provided Crayola Gel-FX markers to create bold art directly on the light-up screen. Wipe artwork clean with a damp cloth for endless colorful fun!
  - Includes: A fun and portable light up unit which includes a sleek black base and 6" x 4" drawing surface, 4 different colored gel-FX markers, and a set of easy-to-read instructions

### Target Audience
