Crayola Sparkle Crayon Melter

With the Crayola Sparkle Crayon Melter, kids can create liquefied crayon designs on a variety of unique surfaces including chalk, wood, glass, canvas and more using metallic Crayola crayons for extra shimmer. Using three simple steps, kids can create amazing art in less than a minute. Simply, insert a crayon, plug in and start embellishing virtually any surface. The sleek, compact design is safe, easy to use and has a low-heat tip for worry-free creativity and a whole new way to embellish your designs with sparkly Crayola effects.

The set includes a sparkly Melter unit and eight Crayola metallic crayons.

BENEFITS

- **Wax Art in Minutes:** Once a difficult and long process, kids can now create unique, melted wax art at home in less than a minute
- **Safe Design:** The compact pen design has a low-heat tip and designed closures to guarantee that little fingers cannot enter the heating barrel
- **Open Ended Creativity:** Melted crayon art works on a variety of surfaces including paper, canvas, wood, chalk boards and more
- **Sparkly Embellishments:** Using Crayola metallic crayons, kids can create shimmery wax art like never before
