

# Fabulous Fathers

## Celebrating Kindness

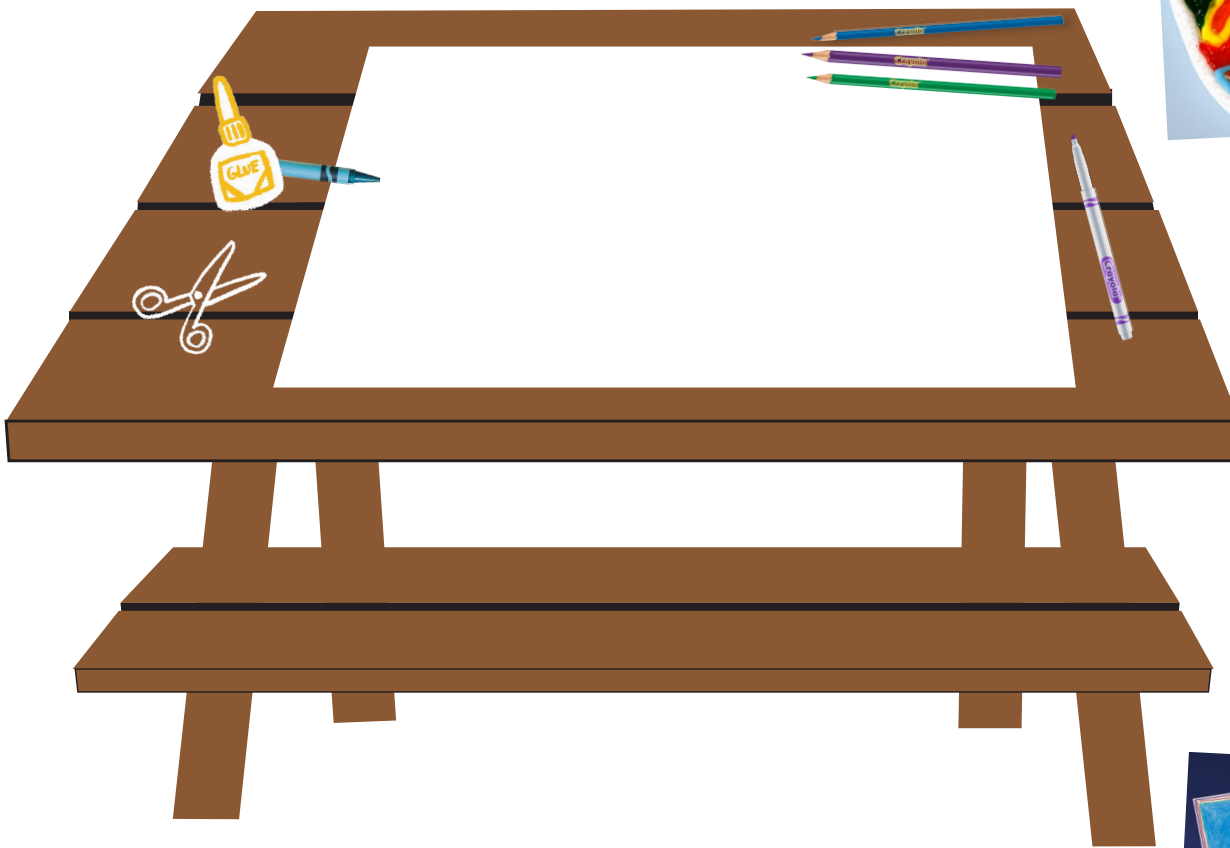

**CONNECT** feelings of appreciation, gratitude, and kindness to ways you could honor your father or someone who has cared for and nurtured you. A great way to celebrate Father's Day is to create a customized gift that shows Dad, an uncle, grandfather, neighbor, or other adult in your life how much you appreciate them and treasure your relationship.

**CREATE** a gift *from hand and heart*. Start by thinking of the message you want your gift to convey. Do you want to showcase some creative moments that you have enjoyed with this person? Would you like to give them something they can use or display that will remind them of you?

**PRESENT** your gift to this special person and give it a pizzazzy name. For example, for an avid reader you might use leaves to decorate a piece of cardboard and call your gift the *Leaf Time to Read Bookmark*, reminding them to leave time to enjoy a good book. Or if Dad needs some quiet time, call your gift *Dad's Door Knob Hangers* that will keep disruptions away when he's sleeping or working on a hobby. Or call small pieces of art that can be attached to a tackle box or golf bag, *Special Together Time Charms*.

**RESPOND** to each other by talking about how creative moments together are memorable, joyful experiences. Share examples of what makes this person and your relationship *fabulous*!
