

# Creativity Connects Schools with Families

Use creative experiences to increase family engagement.

**Join us for a  
professional  
development  
session**

Together we will:

- Explore the beliefs, aspirations and goals educators and parents share for children
- Experience the arts as a bridge between home and school
- Discover inspired ways for educators and parents to work together as partners
- Plan to use the arts as a powerful strategy for engaging families in student learning

Don't come as you are.  
Come as you were,  
with a child-like spirit.  
Be ready to think  
and create colorfully.
